La vie à

Ecole Chéofhile Roussel _ Sustitution near Paris. About 300 boys, 9-18 years old. From the Courts or the familial social agencies. 1) Réginem: Administration, personnel, kitchen, laundry, etc... 2) Clinic: Psychiatrist, Psychologist, Physician, 2 murses & assistants sociales (social history, families, Courts) School teachers physical colucation 4 Workshops: teachers 8 Cottages | each of them: 30 boys 3 éducateurs 1 housemaid I observation, reception, treatment Cottage a special stress is put on the effrenticeship, and all the boys learn a trade. We have no forms: each cottage has its own privileges more or less. We have no graduation: the difloma of "end of expertisedi takes flow of it. We have no Youth government, but the boys have an important and active franticipation in the decisions about cottage life ... The hey is the cottage and the educateur, which is true for each French institution... The éducateur's field is I housekeeping: responsible to the Registeur for material, etc (a) self-expersion: puffets, drama, block pints, acrobatics, 2) leisure time (b) outride: cinema, theatre, museums, Zoo, camping, etc... c) summer vocation camp (Emouths), (d) library, games, etc... 3) case work under the superision of the Esychiatrist

Ecole de formation d'éducateurs spécialisés, Monteson (Seine-et-Usse) be become an educateur we have special schools (different from our Schools of Social Worls) and sponsored either by Justice or Health Departments. Here is the Ecole de formation d'éducateurs spécialisés de Montenon. 1) Before doing any affication, working at least one year with young delinquents is required; we our director's acceptance is needed 2) clinical examination by a staff consisting of a pychologist, a psychiatrist a flyrician, and an educateur (in 1949, 50 candidates, co.ed., were selected from 400 efflicants) 3) Chen we follow the eight-mouth schedule of the Ecole, on the following basis: a) househeating, cooking morning: 6) courses, seminars by: Judges / legislation about dildren, social laws psychiatrists | Psychodynamics, neuro-psychiatry psychologist | mental tests | child pychology lecturers fedagogy, progressive education scouting youth organizations, group works campine etc. Physical education, athletics, games (tracks, etc...) Creative Arts for children (Drama, Ruppets, Painting, etc...) housekeeping: tricks of "handyman busines" cine-club, dance (folks, modern, expessive), self-expession preparations of readings, lectures, reforts evening [veille songs, games, stories, etc... discussion on a theme film, show, non required servitures, etc... plus [Visits of social agencies, institutions, children elinies, courts, hospitals, etc...

plus [comping shuring the week-ends (hiking, biking, cooking, etc...)
